## Faust Wines Opens Faust Haus

After three years of restoration, on September 4, Faust Wines opened its bold and daring winery and tasting room in St. Helena. Located in St. Helena just off Highway 29, the former farmhouse and prohibition-era cellar provides a creative escape with each room within the historic Victorian home intentionally designed to offer guests a unique experience, created to feel more like a luxurious living room than a traditional tasting room. Faust enlisted the architectural design firm Aidlin Darling Design to reimagine and restore the home, which was originally built in 1878. For the foreseeable future, the Faust Haus will be hosting guests outdoors on the restored Victorian veranda and outdoor gardens, overlooking sweeping views of Napa Valley on a reservation basis.
